

POINSETTIA

CONTROLLED RELEASE FERTILIZER

The Nutrition They Need for a Brighter Holiday Season!

19-5-9
GUARANTEED ANALYSIS

90 DAY CONTROLLED RELEASE

Custom blended to provide poinsettia plants with the essential nutrients they need during the holiday season.

**BLOOM BRIGHTER
ALL SEASON LONG!**

KEY BENEFITS

- ✓ Promotes vibrant, long-lasting color for beautiful holiday displays.
- ✓ Provides essential nutrients for strong roots, healthy foliage and full bracts.
- ✓ Controlled release feeding for up to 90 days.
- ✓ Reduces the risk of over-fertilization and nutrient burn.
- ✓ Ideal for greenhouse, nursery and retail poinsettia production.
- ✓ Helps plants stay compact, uniform and market-ready.

TARGET PLANTS

Poinsettias
(*Euphorbia pulcherrima*)

Also suitable for holiday color crops and flowering ornamentals.

USE SITES

- Greenhouses
- Nurseries
- Container production
- Retail displays
- Interior and exterior landscapes
- Holiday décor plantings

APPLICATION RATES

CONTAINER SIZE	RATE (per container)
4" pot	2 – 3 grams (≈ ½ tsp)
6" pot	4 – 6 grams (≈ 1 tsp)
8" pot	8 – 10 grams (≈ 1 ½ tsp)
10" pot	12 – 15 grams (≈ 2 tsp)

Rates may vary based on substrate, plant size and growing conditions. Incorporate into the top of the media at planting or as a topdress. Water in after application.
